

Pleasure Walking Horse Club of Washington Beach Campout June 12th & 13th, 2010!

*Make your reservations NOW for our first overnight ride of the year! We have reserved a group site at Ocean Acres Horse Hotel, which is in Grayland (south of Westport). Parking is plentiful for all kinds of rigs; there are seven RV hook-ups with power, outdoor corrals or high lines for the horses, a few stalls in the barn, water and portable restrooms (Porta Potties) on site. Saturday breakfast and lunch will be on your own. **Saturday night, plan on a Burger Bonanza – the Club will provide the burger basics, but bring some creative “add-ons” - there will be a prize for the most outrageous, edible burger masterpiece!** Please bring a salad (last names Q – Z), side dish (last names I – P) or dessert (last names A – H) to complete the spread. We'll have a cowboy breakfast on Sunday morning with eggs and sausage, beer/banana pancakes, coffee and juice. Everyone will need to sign a waiver, which I've attached. The weekend will be here before we know it, so RSVP right away!*
