Anyone who takes out their frustrations or anger on their horse or another person will not be tolerated. If you cannot comply with this rule, this association is not for you.

**Eligibility:** Any suspension under the Horse Protection Act or any regulatory agency will be recognized by this Association. Any horse that exhibits bilateral scars, scarring, and callous, granulated tissue on the pastern or coronet areas indicative of soring will not be eligible to show. All horses maybe subject to inspection and/or palpation for evidence of soring at anytime on the show grounds. Horses with curly leg and pastern hair and/or shaved legs will be scrutinized closely. Wrapping a horse’s leg in plastic wrap is not permitted. Show management has the right to at any time to inspect any horse on the show grounds, which has been brought for show purposes. If a horse is considered to be in violation of the USDA Horse Protection Act, the name of the owner and the horse will be turned over to the USDA for investigation.

Abusive Substances in the pastern area, pads, action devices or artificial enhancements of any kind are not allowed on the show grounds before, during or after the show. If any horse is deemed to create or project a “bad image” by the show management at the show, the owner will be asked to refrain from showing the animal.

Unregistered gaited horses are welcome to come and show but will be judged as any other entrant by gait standards. Exceptions: Any halter class or UMH Class.

**Shoeing Regulations:** Heel and Toe measurement: Toe length must exceed the height of the heel by one inch or more.
